

All-Canadian TITAN Values

T : **Tough** - We're not just talking about physical toughness here, but equally important, emotional and mental toughness. Striving for excellence under all conditions, with the drive to reach one's goals demands strength in all areas.

I : **Innovative** - Leaders are often credited for being ahead of the curve. For having the imagination to envision outcomes beyond expectations and then being able to see a path to that vision. Tell us how you're working to realize your vision.

T : **Tenacious** - Determination and persistence are critical in life. No matter what you pursue, you'll be faced with hurdles and roadblocks. But those who are resolute in their belief and steadfast in their pursuits, are the ones who will achieve success.

A : **Ambitious** - Embracing hard work with a desire to succeed, not just for your benefit but for the benefit of others is how we remember great leaders.

N : **Notable** - Standing out is hard to do in today's world where youth are pressured to conform. But those who rise above the 'norm' in truth to themselves, are lauded for their authenticity, bravery and boldness.
