

What TITANs stand for.

Tough - TITANs go beyond physical toughness. They strive for excellence no matter the circumstance because they're driven to reach their goals and pull others up with them.

Innovative - Leaders are often credited for being ahead of the curve. For having the imagination to envision new outcomes and forge a path to that vision. Tell us how you're working to realize your vision for you or your community.

Tenacious - Determination and persistence are critical in life. No matter what you pursue, you'll be faced with hurdles and roadblocks. But those who are steadfast in their pursuits, are the ones who achieve success.

Ambitious - Embracing hard work with a desire to succeed, not just for your benefit but for the benefit of others is what makes a good person a great leader.

Notable - Standing out is hard to do in a world where youth feel pressure to fit in. Those who rise above are lauded for their authenticity, bravery and boldness.
